-------------------------	-------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued August 20, 2001)

On May 29, 2001, TRX, Inc. (TRX), filed a proposed tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in certain exchanges in the Qwest Corporation (Qwest) service territory and certain exchanges in the service territory of Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom, successor to GTE Midwest Incorporated (Iowa Telecom). The specific exchanges in which TRX intends to provide service are listed in its proposed tariff. On July 27, 2001, TRX filed revisions to the proposed tariff deleting non-regulated services. The proposed tariff has been identified as Docket No. TF-01-150.

The Board, on June 26, 2000, issued an order in Docket No. TCU-00-18 approving the application of TRX to provide service in the listed exchanges and approving the concurrence in the exchange maps of Qwest and Iowa Telecom for those exchanges. In the June 26, 2000, order the Board stated that a certificate would be issued when TRX has an approved tariff setting forth the terms and

conditions for local exchange service. TRX requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board finds that the proposed tariff complies with Board rules for the filing and processing of tariff pages. The Board will approve the proposed tariff filed by TRX and will issue a certificate authorizing TRX to provide local exchange service in the exchanges as listed in its tariff approved in this order or as subsequently approved. The Board will issue Certificate No. 0237 to TRX under the provisions of Iowa Code § 476.29(12) (2001).

IT IS THEREFORE ORDERED:

1. The proposed tariff, identified as TF-01-150, filed by TRX, Inc., on May 29, 2001, as amended on July 27, 2001, is approved.
2. Certificate No. 0237 is being issued concurrently with this order. Under the certificate, TRX, Inc., will be allowed to provide local exchange service as shown by its tariffs as currently and subsequently approved.
